

Emmanuel Kwalakita

Date of Birth: 19-05-1999

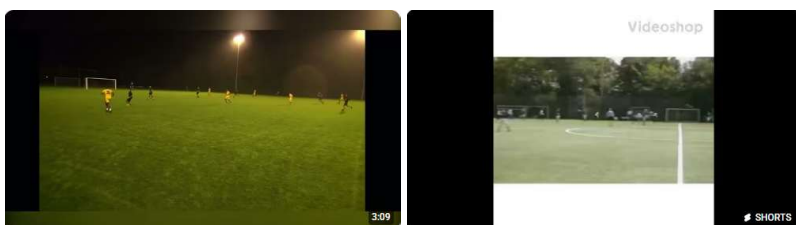

Position: Left winger

Also capable as: Forward

Preferred foot: Two-footed

Height: 1.85 m

Weight: 80 kg

Emmanuel Kwalakita is a physically strong and technically skilled attacker who is most effective on the left wing but can be deployed across the front line. Thanks to his pace, dribbling ability, and two-footedness, he can pose a threat in a variety of ways. He has a powerful shot from distance, regularly beats his direct opponent in one-on-one situations, and is also strong in the air. His close control and game intelligence make him a threat not only when finishing but also as a provider in the final third.

He has already gained international experience, having played abroad for clubs such as Swedish side Ytterhogdals IK and Croatian club NK Budućnost Siskovci. His versatility and work ethic make him a dependable attacking asset in any squad.
